I probably wasn't clear in my initial message, Shawn asked that you coordinate the reviews of this in HQ, so we get one set of comments from HQ.,... sorry. Could you provide to all who need to see and have someone coordinate comments in HQ?

Thanks

Ron

Do you think others in HQ will need to see?

Dana: please see attached draft CIP for Dimock = as you know we need to get a CIP in the record 120 days after start of removal action - that date is 5/19.... We're still reviewing in region, but wanted to get to you to ask you to provide to whomever in HQ you think needs to review.

Shawn will likely raise on tomorrow's call. I'll try to call you re: this, but in the meantime, please let me know if you have any questions.

Ron
